PLANS TAKE SHAPE

Inaugural Workers Pleased
at Senate's Action.

WILL ASK THE FILIPINO BAND

Famous Musical Organization of
the Island Possessions Will Ap-
pear in Parade March 4—Court of
Honor Decorations Green and
White—Railroad Rates Settled.

At the meeting of the inaugural com-
mittee yesterday reports were heard from
the chairman of the subcommittees which
showed that preparations for Inauguration
Day are well advanced and have
made as much progress as could be ex-
pected under the circumstances.

Much satisfaction was expressed by
the committee at the action of the Senate in
passing the bill allowing the use of the
Pension Building for the inauguration ball.

A great part of the work of the com-
mittee is being held up waiting action of
Congress upon this important matter.
It will be only after the bill is passed
and signed by the President that the com-
mittee can take up the work of completing plans for the
great social function of the week.

Will Invite Filipino Band.

The question raised at the previous
meeting of the committee respecting the
Filipino band, known as the Philippine
Constabulary Band, which seems to oc-
cupy some such relation to the island
government that the Marine Band does
to that of the United States, was dis-
posed of by the adoption of a resolution
to invite the band to come to Washing-
ton for the purpose of participating in
the ceremonies of March 4.

Clarence R. Edwards, chief of the in-
sular bureau of the War Department, told
the committee that the band is coming
to America for the purpose of making a
concert tour of the States, and in case it
is wanted in Washington will come to
Washington to help swell the chorus of
music of the Taft and Sherman inaugura-
tion.

The Constabulary Band is composed of
Filipino musicians and plays eighty-six
pieces. This band was at the St. Louis
exposition and is regarded by competent
critics as the peer of any similar musical
organization in this country. It is com-
manded by Capt. W. H. Loving, and the
tour of the band in this country is under
the management of George C. Selinger.

Colors Will Be Green and White.

Edward W. Donn, jr., chairman of the
committee on street decorations, said the
court of honor would be developed in a
color scheme of green and white, and
that flags would be used only here and
there, floating from masts or flagstaves.
Mr. Donn said the general plans of his
committee had been well advanced, but
that he was now waiting until certain
preliminaries relative to the inaugura-
tion should be settled before going forward
with the work.

One of the most important reports at
the meeting was that of Samuel H.
Hege, chairman of the committee on
transportation. He reported that the
trunk line railroads have authorized rates
of travel to and from Washington during
the inaugural period as follows: For in-
dividuals from points more than 100 miles
and to 200 miles from Washington, 2
cents per mile in each direction. From
New York City, 2 cents per mile in each
direction. Other railroad associations
have adopted the same, or practically the
same rates.

James S. Henry, chairman of the press
committee, announced that he would open
his bureau at the Willard in about a
week.

Gist Blair said to the committee that
he had added prominent citizens from the
States and Territories to the floor com-
mittee of the ball.

BURGLAR IS FINED.

Thief Who Looted Fashionable
Homes Is Not Jailed.

John G. Hempel, member of a well-
known Baltimore family, who has been
robbing prominent residences in this city,
yesterday confessed, his guilt in Police
Court, and was fined \$10 in each of ten
cases of larceny.

Hempel was arrested by Detectives
Burlingame and Weeden after a series of
mysterious robberies in Washington. The
man had been working for a local gas
company, and was able to gain access to
the homes of a number of wealthy citizens.

Hempel robbed the British Embassy of
forty or fifty pieces of costly jewelry, and
stole a valuable scarf-pin from the home
of Senator Du Pont.

Held in \$500 Bonds.

On charges preferred by Emaline
Knight, of 708 S street, southwest, Joseph
B. Pulliam, attendant at the Gov-
ernment Hospital for the Insane, was
yesterday held in \$500 bonds for the action
of the grand jury, after the longest pre-
liminary hearing ever held in the new
police court building, lasting from 11:30
o'clock in the morning until 2:30 o'clock
in the afternoon. The hearing of the hear-
ing was due to the large number of wit-
nesses examined for the government.

Firemen Promoted.

Fire Chief F. J. Wagner has recom-
mended the promotion of Private D. H.
Zirkle as lieutenant, with compensation
at the rate of \$1,200 per year; the pro-
motion of J. A. Mayhew, private of class
1 to class 2, with a salary of \$1,050 per
year; the appointment of F. H. Johnson
as temporary private of class 1, at a
salary of \$900 per year. The commis-
sioners have approved the promotions
and they take effect immediately.

Chairmen Make Complaint.
In the course of a year the Associated
Charities is called upon to settle all kinds
of questions from the relief of the poor
to inducing the wealthy to contribute to
various worthy causes, but yesterday
a complaint was received from char-
women to the effect that their children
were not properly fed, owing to the small
wages the women receive from tenants
of the big office buildings.

An Old Suit Called

The suit, filed March 1, 1905, of Ernest
L. Hawks against Robert J. Brown and
Horace S. Cummings, to recover \$75,000
and interest from September 1, 1904, was
called before Justice Clabaugh in Circuit
Court No. 2 yesterday. The case involves
a sale of guano and phosphates on the
Island of Guapatch, in the Caribbean Sea.

SUES PARTNER FOR PROFITS.

Frank Gaines Asks a Receiver for a
Liquor Business.

Charging that his partner, Aaron J.
Gaskins, has endeavored to deprive him
of his proper share of the profits of a
retail liquor business at 230 Eighth street
partnership, operated under the firm name
of Gaskins & Gaines, Frank Gaines yester-
day filed suit in the District Supreme
Court asking dissolution of partnership
and the appointment of a receiver.

Gaines says the partnership has existed
for the past eight or nine years, and that
during his illness for the last four months
Gaskins has refused to render a state-
ment of the proceeds of the business and
has given him as his share of the profits
only \$750.

According to the information filed, the
stock in trade, fixtures, good will, and
location are worth \$10,000, and that the
net profits average from \$400 to \$500 per
month. The plaintiff is represented by
attorneys Wilton J. Lambert and R. H.
Yestman.

RECEIVER IS ASKED.

Dissension Among Heirs of M. P.
Clarke Leads to Suits.

Suit for the partition and appointment
of a receiver to take charge of the estate
of the late Michael P. Clarke, valued at
about \$105,190, was filed yesterday in the
Supreme Court of the District of Colum-
bia by Thomas P. Clarke against Michael
P. Clarke, John J. Clarke, of Juneau,
Alaska, and other heirs.

Mr. Clarke, sr., died intestate on August
23, 1904, and application was made for
the issuance of letters of administration.
The estate includes realty near Twenty-
first and L streets northwest and in
other localities of the city. Personal
property and deposits at the Riggs Na-
tional Bank amount to about \$5,100. Debts
to the approximate sum of \$1,700 are
charged against the estate.

BATHING BEACH IN PLAN.

May Have Share in Development of
Playground System.

The development of the bathing beach
as an adjunct of the playground sys-
tem is approved by Commissioner West,
and he believes that the action of the
House in appropriating \$15,000 for the
maintenance of these centers of child
life will be extremely valuable to the
District.

"The practical value of the play-
grounds," said Commissioner West, "has
been demonstrated with increased effect
since they have been established. It is
particularly necessary that in a large
city where houses are crowded together
and where under ordinary conditions the
streets afford the only place where chil-
dren can congregate, playgrounds should
be provided so as to afford the children a
place where they can indulge in outdoor
recreation under intelligent and sym-
pathetic supervision."

"The playground association has natu-
rally taken a deep interest in the de-
velopment of the bathing beach project,
but whether or not it is possible to ob-
tain any better facilities this year at the
bathing beach, it is pleasant to know
that the playgrounds themselves are to
receive a greater amount of deserved con-
sideration."

MARITAL TANGLE UNRAVELED.

Harry J. Pearson Withdraws Suit
for Divorce.

A marital misunderstanding which re-
sulted in the filing of a suit by Harry
J. Pearson, for legal separation from
Lillian M. Pearson, eighteen years old, has
been cleared up, and the suit has been
withdrawn.

Pearson declared in his petition that his
wife left him immediately on their return
from Rockville, Md., where they were
married, and refused to return to him.
The truth of the matter came out when
Mrs. Pearson filed her answer. She ex-
plained that she went to her home with
her husband's consent, and with the un-
derstanding that he was to call for her
the next day.

Through a mistake, each got the idea
that the other was trying to forget the mar-
riage.

LITTLE GIRL DECIDES.

Chooses to Remain in Care of Her
Foster Mother.

Mrs. Anna M. Kane will retain custody
of little Anna Marie Kane, seven years
old. Justice Barnard, of the District
Supreme Court, yesterday denied the pe-
tition of the mother, Mrs. Katherine
Bridger-Jacob, who brought suit to regain
possession of the child, which has been
in the keeping of its foster mother since
a few weeks after its birth.

Both claimants were on the stand yester-
day, in addition to a number of their
friends. Before giving his decision, Jus-
tice Barnard called the girl up on the
platform beside him and held a whispered
conference with her.

GALES SHERMAN ENDS LIFE.

Funeral for Well-known Citizen to
Be Held Monday.

Funeral services for Gales Sherman, former mayor of Colonial Beach, who had the distinction of being personally known by nearly every business man in Washington, will be held Monday morning at 10 o'clock at the chapel of Lee's undertaking establishment. Interment will be in Glenwood Cemetery.

Sherman, who was fifty-six years old, lived at 735 Eleventh street northwest, where he conducted a candy store. He committed suicide yesterday morning by inhaling illuminating gas. The dead man, clad in a new suit of clothes, was found with his forehead resting on the top of a gas range, an overcoat pulled over his head in such a way that he could inhale no fresh air.

Friends attribute his despondency to a series of business failures. He was known as a man who had been singularly unfortunate in business ventures, and was the originator of a number of enterprises which proved unprofitable.

The immediate cause of his suicide was his failure to obtain an opening for a moving picture enterprise he had planned.

Friends say he was deserted by his first wife, from whom he obtained a divorce. He married again about seven years ago, but had been separated from his second wife, Helen Sherman, for several months.

Mrs. Green's Suit Filed.

The will of Eliza C. Green, who died September 2 last, was filed for probate yesterday. She bequeaths her real estate to her daughter, Ida G. Green, and divides her personal property, share and share alike, among her children, Marshall, William, Taylor, Ida G., and Mary A. Green. Ida G. Green is named executrix without bond. The document is dated December 19, 1909.

Mrs. Connor sued for \$5,000, naming as defendants the Chesapeake and Potomac Telephone Company, and the Potomac Electric Power Company.
